YOUR BUSINESS IS DYING

WHILE THEY HAVE NEVER MISSED A PAYCHECK!

While you're scraping by wondering how you're going to pay your bills each month, Bonny Henry shut down all indoor dinning except wine tasting.

While you're scratching your head trying to understand the restrictions, you must understand she doesn't give a damn about your business, but wants to make sure her winery still survives on top of that fat salary she receives.

A Guide to Surviving the Pandemic AND Saving your Business

Bonnie Henry's Testimony, under oath, in 2015, during the "Vaccinate or Mask Policy" Arbitration:

"***When we look at individual strains circulating and what's happening, I think we need it to be consistent with the fact that there was nothing that gave us support that providing a mask to everybody all the time was going to give us any additional benefit over putting in place the other measures that we have for the policy."***

YOU are the BACKBONE of our Canadian Culture & Economy

Why are you seeing this information? Because, technically, on paper, *for now*, Canada is still a democracy and we still have free speech. In REALITY, that is no longer the case. Mainstream Media Corruption, Worldwide Censorship and Government Pontification have made it very difficult for honest people to share TRUTHFUL and FACTUAL information. As a matter of fact, this letter will likely get reported as being "misinformation." That has become the standard Modus Operandi for media, government officials and health authorities to discredit ANYTHING that contradicts the W.H.O.'s narrative.

Why Bonnie Henry Will Destroy Your Business

Did you wonder why, last spring, all the big box stores were considered "safe" from Covid but all smaller businesses were forced to shut down? Did you see any logic in that? As Bonnie Henry continues to tighten the screws on your ability to do business, many of you who have survived so far will likely not be here by summer.

Rocco Galati, a constitutional lawyer in Ontario, is suing the Federal, Provincial & Municipal Governments along with various Health Ministers, the Canadian Broadcasting Corporation (CBC) and many others, for an extensive number of constitutional violations of the Canadian Charter. A second massive lawsuit is being launched against the BC Government, Bonnie Henry and all others responsible for the devastation caused to people and businesses here in BC.

According to Mr. Galati, the "arbitrary & unjustified closure of businesses" is violating your Legal Rights under the Canadian Charter of Rights & Freedoms, S. 8, which states "8. Everyone has the right to be secure against unreasonable search or seizure."

Civil Disobedience: the situation in Ontario and Quebec continue to deteriorate and foreshadow what is coming to BC and all other provinces in Canada. When governments unleash war measures against its citizens, we have the right to protect ourselves. Here are some guidelines from the Ontario Civil Liberties Association: https://ocla.ca/ocla-recommends-civil-disobedience-against-mandatory-masking/

Did you really think that tyranny was going to knock on your door and ask you for permission?

FEAR is the real virus. It has you submissively obeying the most preposterous, nonsensical regulations ever manufactured in the history of modern civilization. We are being played like puppets.

"The only thing you need to make people into slaves is FEAR, if you can figure out something to make them scared, you can make them do anything you want" – Hermann Goring, one of the most powerful figures in the Nazi party – Nuremberg Trials

- Lockdown measures have caused more deaths than Covid itself (now governments are busy passing laws to indemnify themselves as they realize the extent of liability and financial burden they would be subject to once lawsuits are filed by the victims' loved ones).
- The PCR Test was NEVER designed to detect viruses. The misuse of this test is the ONLY way the Health Authorities can pretend that there is a "killer" pathogen lurking amongst us. Without the abuse of this unqualified test, there would be nothing to report.
- Their strategy involves testing healthy people, taking the meaningless positive results and multiplying those numbers with those obtained from contact tracing to determine "cases." This magnifies & projects the impression of a never-ending contagious pathogen to justify the increasingly invasive measures that violate your freedom. Meanwhile, hardly anyone is even sick.

The German Corona Investigative Committee findings on the PCR Test: https://bit.ly/3lUvLIA

Once you understand the fact that Covid-19 was nothing more than a yearly flu which dissipated last spring, it will be easier to see the breakdown of Canada's democracy occurring at this very moment.

Viruses are the reason human beings still exist on Planet Earth. Without exposure to viruses, the human race will become extinct.

How to Get Sick	How to Get Healthy
Wear Masks: • They don't prevent the flow of viruses • They prevent proper oxygen intake which kills brain cells • They cause you to re-inhale the toxins your breath is trying to expel, leading to	**Breathe without obstruction:** • We need to inhale oxygen for life • Our bodies detoxify by expelling CO2 • Babies identify mothers through facial expression & recognition • The natural exposure to bacteria and

Bacterial Upper Respiratory Infections that cause death • They cause allergic skin reactions to the fibres in the material • They lead to gum disease and various types of dental deterioration • They dehumanize you by concealing your identity from others • You become expressionless as your emotions are curbed & stifled; like a robot • They serve as a muzzle, preventing proper communication • Your immune system becomes strained by the constant “petrie dish” environment on your face	pathogens allows your immune system to keep itself “upgraded” at all times • Smiling & seeing smiles promotes emotional & psychological health • Facial expressions are part of human communication • Recognizing people promotes socializing
Social Distancing & Self-Isolation: • Depriving social animals like humans from physical contact breaks down a person’s overall health • Human contact is what gives many the will to live. Thousands have died as a result of being deprived of that physical connection • This is completely contrary to human nature and can only lead to illness • This creates an artificial “disconnect” that goes against basic instincts for survival	**Hugging, Kissing & Socializing:** • The sharing of bacteria and viruses amongst people contributes to herd immunity • The positive physical and emotional effects on the human psyche is more powerful than any drug • This is how human beings demonstrate love & affection • This contributes to our survival as a species
Over-Sanitizing & Sterilizing • We are not isolated micro-organisms that require a sterile environment to prevent contamination • Living in a “bubble” of sterility leads to decreased immune efficiency • Most sanitizers contain harmful ingredients that get absorbed into the skin • The anti-bacterial products just end up contributing to the formation of Super-Bugs • Humans didn’t survive for thousands of years by locking themselves up in sterile laboratories	**Touch people & objects** • We need constant exposure to pathogens to maintain our immune systems • Anyone who contradicts this fact is a fraud • The human touch is how we convey love and affection, it is a transfer of positive energy • Paper money has been one of the most effective methods for creating herd immunity • Exposure through touch helps build up the strongest immune systems • Strong immune systems ensure our survival as a species

The wearing of a mask symbolizes your obedience and surrender of your democratic rights & freedoms. You don’t accept responsibility for your own health. You relinquish your right to make your own individual choices by silencing your voice. The “State” is now your boss.

Masking an Economic Meltdown

The actual reason behind all this was to cover up the implosion of an economic model that has been disintegrating for years. After taking on water and listing precariously since 2011, the Captain and crew jumped off the Titanic, leaving all their constituents on the sinking ship. What is happening is an act of economic warfare undercover of a pathogen; an *information warfare cover-up* to mask an economic collapse that already started 10 years ago. We are only just now experiencing the shock waves from that crash. So, if you don't ask questions and do as you're told like a good little boy or girl, they'll let you onto the lifeboat....with Satan at the helm.

The PLANdemic Recap:

1. Declaration of "Emergency Measures" allowed elected officials to abdicate their duties to the "Health Authorities"
2. Unelected "Health Authorities" work for the W.H.O. & the U.N.
3. The ultimate goal of the U.N. is to reduce the world population from almost 8 billion to 500,000 million
4. Vaccination is the method to achieve this goal; 12 Vaccine Truths: https://bit.ly/3shyDCB
5. Millions are eagerly volunteering to be "euthanized" under pretense of being immunized against a "deadly" virus: Dr. Hoffe of Lytton, BC Letter to Bonnie Henry: https://bit.ly/3ahm0RQ
6. The "deadly" virus has a 99.97% survival rate. The Covid "vaccine" is estimated to have killed approximately 150,000 people (in the U.S.) so far since December 2020

Breaking the Hippocratic Oath

Although there is no punishment for doing this, there are legal penalties for medical malpractice. The issuing of measures that were never scientifically nor medically-based caused physical & psychological harm and were extreme, unwarranted and unjustified. These bogus "Health Authorities" now have blood on their hands. Their "preventive measures" caused more harm and deaths than the virus ever did. All of Henry's orders are on schedule with the "Event 201" pandemic simulation orchestrated on October 2019 and sponsored by the Bill & Melinda Gates Foundation, Johns Hopkins Center for Health Security and the World Economic Forum.

Mainstream Media is the W.H.O.’s Weapon of Mass Destruction

Owned by a handful of Telecommunication conglomerates who participated in the Event 201 plandemic preparation discussion, this is the W.H.O.’s silver bullet. The Nuclear Bomb. But actually, more like a hypnotic pendulum. Have you noticed how there is only one single narrative with regards to this pandemic coming from all media platforms 24/7? Did you notice there are NO contradictions, deviations, different points-of-view or opinions as to what is going on? Doesn’t media sound more like pontification on what to do/feel/believe/think/behave in response to this “pandemic”? How do you feel about media picking and choosing what to tell you and NOT to tell you? How would it feel to know you are being *deceived* by media?

If you haven’t asked yourself these questions yet, you may want to start now. Because MSM is scripted under the W.H.O.’s directives. Scenarios are staged. FACTS are called “conspiracy theories.” TRUTH is buried. Footage & pictures shown are not from the actual event and videos come from movies or other sources unrelated to the actual story. The CBC is nothing more than a mouthpiece for the health authorities and their complicit officials. Bought & paid for by the Federal Liberal party. Their main focus is to perpetrate a non-stop smear campaign against anyone who dares contradict the W.H.O.’s pronouncements. Reporters do not investigate or question. They are TOLD to TELL you what the W.H.O. wants you to believe. This is called “Propaganda.”

Mainstream Media Explained: https://bit.ly/3fBNeE8

Break The Spell: Stop The Pendulum

Turn off MAINSTREAM MEDIA; it is poisoning your soul. Fear induces the “fight or flight” reaction. You are not facing a live grizzly bear a few feet away. STOP. Sit down. Take a deep breath. Consider the media manipulation, use your common sense, check out the sources of truthful information provided here and listen with an open mind. Listen to your heart and your gut and ask yourself if what is going on makes any sense. Can you blindly trust those in charge JUST because they ARE in charge? Government officials, Doctors, Scientists, Professors, Nurses, Experts, Journalists, Investigators etc... are all mere mortals too. Very few actually *know* the true agenda. They are under the spell of fear; acting without thinking. THAT is a dangerous thing. Never let someone else think FOR you. This is why we ended up where we are now, on this runaway train.

Many businesses who naively “support the provincial government’s public health orders” will pay the price through “extermination.” These business owners’ docile obedience and acceptance of a bogus pandemic designed to precipitate their demise will be annihilated as planned. This gives the W.H.O. and their cohorts the ability to obliterate the middle class, to destroy the institutions of democracy, to shift all the wealth from the people to a handful of billionaires who hunger for more power & control. It

is the goal of the Globalist agenda to eradicate all small businesses as these are obsolete in the new model they are working to establish.

Censorship Controls Canada

NEVER, in Canada's history has censorship been so prevalent. It's been happening quietly in the background for years but **never** so obvious as in 2020. We are NOT talking about Hate Speech, Terrorism or Discrimination on any basis. Do you realize what that means? NO MORE FREE SPEECH. No different Points of View, No different Opinions, No Truth or Facts that contradict the narrative. If free speech still existed, there would be no need for this letter. If anyone claims this letter as being "misinformation," "disinformation" or "a conspiracy theory" = CENSORSHIP.

What does 5G have to do with all this?

They used the quarantine period to sneak in 5G technology into most communities and begin the process of shifting us all to a digital currency, which is the beginning of slavery. "If they control your bank account, they control your behaviour" says Robert F. Kennedy Jr. You may be convinced by the sales pitches that 5G is great for better internet speed but that's not the reason for it; "It's for surveillance and data harvesting."

Learn more about this from "Canadians For Safe Technology": http://c4st.org/

As for its effect on the human body, we've been finding this out ever since the Wuhan outbreak when 5G was first turned on. Briefly, this exposes us to exponential levels of radiation never before tested on humans in the short term and certainly not for the long term: https://www.brighteon.com/9fd872f0-cb0a-4a0d-ae78-e5d7cf175fd9

Lest We Forget (Remembrance Day)

Alas, we HAVE forgotten and Bonnie Henry does NOT want us to remember. If we don't REMEMBER what our brave soldiers died for in previous wars, then the rewards of their sacrifices ended in 2020. They have been turning in their graves to see that Canadians are allowing democracy to slip through their fingers with complete obedience to those who are taking it away.

During the last World War, soldiers gave their lives to protect our freedoms. Today, people are giving away our freedoms to protect their lives.

Take some time and read up on how Hitler was elected based on promises to give people a better life, only to spend years reducing people's freedoms and imposing rules & laws that controlled every aspect of their lives until finally, war broke out and millions of lives were lost as a result.

– MPP Randy Hillier

Can't See The Forest For The Trees

Governments are money-sucking institutions that profess to care about and work for the people. Yet hundreds of thousands of Canadians have been reaching out to our governments since March or April 2020, warning that this pandemic was a fraud, only to be ignored and dismissed. Clearly, not everyone has been able to see the whole picture for what it really is but those who do are working hard everyday to get the message across. Meanwhile, our elected officials continue imposing sanctimonious regulations that contradict all common sense. This plandemic is a *runaway train*, driven by all the health officers who's ONLY priority is to follow the "blueprint" set out by the W.H.O. to achieve the Globalist goal. By 2030, there will be no ownership. You won't even own your own body, never mind a business.

Bonnie Henry's goals are not for your protection. They are for your destruction.

Don't Alienate Your Customers

You need your customers more than they need you. By assisting the government through the enforcement of anti-social behaviours such as social-distancing and masking, not to mention obsessive hand-washing, you are contributing to the deterioration of people's health, both physical and psychological. Are you collecting your customers' names & phone numbers at the door? Unless you are a member of the Nazi Party and you've been recruited by the Gestapo to act as an informant, MYOB. This is Henry's sneaky method to gather personal information she uses to support her bogus, inflated Covid "cases." Don't be complicit in the execution of this scheme. Each step for this plandemic was designed to be executed over a 5 year period. Only 4 more years to go! How long do you expect your business to survive by treating people in a manner that takes away their humanity and invades their privacy? Bonnie Henry's directives are designed to help you dig your own grave. The Globalists' objectives are expected to be achieved by 2030. Nine more years and your business will be obsolete.

These Government Mandates & Orders are not LAW. As a matter of fact, they are UNLAWFUL.

Pitting Business Owners Against the Civilian Population (Nov. 20/20)

Henry's mask orders demonstrate a classic execution of the "divide & conquer" method to destroy the fabric of society. The government is violating citizens' bodies by enforcing the muzzling of people's faces and giving business owners the impression that they must force law-abiding citizens into submitting to this degrading act, or refusing service. Confrontations and resistance are inevitable. How do you expect to conduct a successful business while creating animosity in your new role as a communist-enforcer? All this for a flu virus with a 99% survival rate? Police are finally aware they cannot force people to wear masks. Business owners are subject to a $75,000 fine for discriminating against customers via mask-wearing. When a government breaks the laws and attacks its own people, that is war. When peoples' backs are pushed against the wall, they have no choice but to submit to

slavery or stand up for their rights. What do you want to do? How much will you care about Covid tickets once you've lost everything?

Henry and the government are bullying you because you are not aware of your constitutional rights. They KNOW they CANNOT LEGALLY enforce any of their measures. ***Make sure you fight any Covid-related tickets you get. They are baseless violations of your Charter Rights and the Canadian Constitution. YOU WILL WIN.**

Mob mentality flourishes when people react out of unsubstantiated fears and ignorance of the law. While the "Covid" decoy is distracting you, communism is seeping in through the cracks of democracy.

The Mask Order is NOT a LAW and you have NO authority to enforce it: https://bchumanrights.ca/mask-poster/

So What Is The PLANdemic all about?

1. The destruction of the Global Economy and all small businesses to remove people's ability to make a living. Crippling society through unemployment to make individuals completely dependant upon the state.
2. To establish the "New World Order" which entails complete control over populations using AI (Artificial Intelligence) technology under control of a monopoly of multinational companies.
3. AI is only possible using 5G technology. Since 5G is harmful and deadly to humans, they needed to cover up this invisible killer by using the premise of a virus they called "Covid' as being the cause of illness and declaring a "pandemic".
4. The level of terror this "pandemic" has created was planned to ensure widespread acceptance of a "cure" they are calling the "Covid Vaccine".
5. This "magic" mRNA vaccine "suddenly" created at the speed of light contains the usual inflammatory, immune system-destroying ingredients along with an RFI (Radio Frequency Identification) Chip to track and control your activities. If this sounds like bogus, far-fetched science fiction, the details are explained here, sourced from Moderna's website: https://bit.ly/3m50YKS
6. This RFI chip is required for the AI technology's success in monitoring the world population.
7. Population Reduction will be achieved once hundreds of thousands of people start dying after taking the vaccine. Dolores Cahill (Molecular Genetics & Immunology) estimates life expectancy for the vaccinated to be 2 – 3 years for those over 70 and 5 – 10 years for everyone else: https://www.bitchute.com/video/e07bzbpqBbFp/

   Vaccine Deaths & Injuries so far: https://vernoncoleman.org/articles/how-many-people-are-vaccines-killing

The Fake “Vaccine” that is Really an Experimental, DNA-altering Medical Device

Why is a “vaccine” required for a virus with a 99.7% survival rate? Did you know that even if you accepted this lethal injection, you would be advised to continue wearing masks, practice social distancing and submit to PCR tests? Did you know that once injected, the mRNA “software” will remain inside your body for the rest of your life, resulting in auto-immune disease? A deplorable Mainstream Media Campaign is camouflaging the actual devastating death toll and injuries caused by the Covid “Vaccine” since December 2020. According to MSM, every Covid vaccine-related death is somehow “unrelated” or “coincidental” or “unexplained”: https://hpv-vaccine-side-effects.com/covid-19-vaccine-side-effects-world-map/

Vaccination is a “medical procedure” that you do not have the right to enforce as an employer: https://action4canada.com/vacccines/
As per the Nuremberg Code, it is the law in Canada to provide informed consent before being subjected to any kind of medical treatment. Vaccine Consent Form: https://vaccinechoicecanada.com/in-the-news/declaration-of-informed-consent/

Spiritual Significance – Do You Believe In God?

This particular fear manufactured by the W.H.O. requires lack of faith. As your eyes dart back & forth, searching for the enemy, the real monster is sneaking up behind you. It’s called “Dictatorship.” Your faith & love for God and fellow human beings is being tested right now. You are being commanded by “authorities” to treat people like the enemy and to swear “allegiance” to the government by executing their dehumanizing orders towards your customers, your friends and your loved ones. You only need to answer to GOD and no one else. Right now is a really good time to reflect on your relationship with God, regardless of your religion. Bonnie Henry destroyed Ilona’s business but God has her back: https://ilonazink.com/

Truth & Love are more powerful than Mainstream Media, the Government, the World Health Organization and Bonnie Henry. Search for Truth and treat fellow human beings with Love, not Fear, and you will rise above the illusion of doom and gloom they are all promoting.
