

On March 20, 2021, the world united to protest the arbitrary lockdowns using unscientific methods for an unsubstantiated pandemic: <https://bit.ly/3xoWvLu>

Over 100 Countries and two dozen cities in Canada marched in unison to expose the lies & fraud and to show authorities that we will accept nothing less than truth and facts.

We will NOT give up our God-given rights & freedoms out of fear of a “killer” virus who’s biggest casualty has been the yearly flu.

How come millions of people all over the world...

- **Who Hug each other every week**
- **Who Never wear masks**
- **Who Never get PCR tests**
- **NEVER “catch” Covid?!?!**
